Re: Personal Compensation Offer for Strategic Partnership with Oraya AI

Dear Khalid,

I am writing to you personally because you believed in what we were building before anyone else did. When we first spoke, you understood immediately that AI voice automation was not a gimmick for dealerships; it was the future of how leads get worked, appointments get booked, and revenue gets captured. That conviction matters to us, and we want to formally recognize it.

Since our last conversation, we have rebuilt Oraya from the ground up. I brought on Chitraksh Mayank as co-founder and CTO. We restructured as a California C Corporation. We engineered a compliance-first AI voice platform specifically for franchised automotive dealerships, with TCPA, CIPA, CPRA, and FTC compliance baked into every call. The system is production-ready. The pilot proposal for Mercedes-Benz of South Bay is enclosed with this letter.

This letter outlines a personal compensation arrangement for you, separate from and in addition to your current role at the dealership, in exchange for your strategic support in bringing this pilot to life and helping us scale across the Mercedes-Benz network.

1. Your Role

We are not asking you to leave your job, change your title, or take on risk. We are asking you to do what you already do naturally: champion innovation inside the network. Specifically:

a) Facilitate an introduction between Oraya AI and the appropriate C-suite decision-makers at Mercedes-Benz of South Bay (and, if the pilot succeeds, the broader AutoNation or dealership network).
b) Serve as the internal advocate for the AI voice pilot during the initial deployment at South Bay.
c) Provide operational feedback from the sales floor: what is working, what needs adjustment, what the team thinks.

d) Support the relationship between Oraya and dealership leadership throughout the pilot and rollout phases.

2. Compensation Structure

In consideration of the above, Oraya Corporation offers you a sales commission equal to **ten percent (10%)** of the net monthly recurring revenue generated by each Mercedes-Benz dealership location that activates Oraya's platform as a direct result of your introduction and facilitation. This commission applies for a period of **twenty-four (24) months** from the activation date of each individual location.

"Net monthly recurring revenue" means the gross amount invoiced by Oraya Corporation to the dealership for platform services, minus applicable taxes, refunds, and third-party pass-through costs (such as telephony usage billed at cost).

Projected Earnings at Various Rollout Stages:

Rollout Stage	Active Locations	Est. Monthly Revenue	Your 10% Monthly	Annual Earnings
Pilot (South Bay only)	1	$2,000	$200	$2,400
Initial Rollout	10	$20,000	$2,000	$24,000
Regional Expansion	50	$100,000	$10,000	$120,000
National Scale (full)	323	$646,000	$64,600	$775,200

At full national scale across 323 Mercedes-Benz locations, your cumulative earnings over the 24-month commission period would total approximately **$700,000 USD**. This is not equity, not a loan, and not speculative. It is a direct percentage of actual revenue collected by Oraya Corporation

3. Payment Terms

a) Commissions are calculated monthly based on revenue actually received by Oraya Corporation (not invoiced, but collected).
b) Payment is made within sixty (60) days of the close of each calendar month.
c) You will receive a monthly commission statement showing: active locations, gross revenue, net revenue, and your commission amount.
d) Payments will be made via ACH, wire transfer, or check, at your election.
e) This is 1099 independent contractor compensation. You are responsible for your own tax obligations.

This offer is contingent upon the following:

a) You facilitate an introduction between Oraya AI leadership and the appropriate C-suite or general management decision-makers at Mercedes-Benz of South Bay. For the avoidance of doubt, this arrangement compensates you solely for introductions. No expectation of influence over any purchasing decision, vendor selection process, or contract negotiation is created or implied by this offer.
b) Mercedes-Benz of South Bay agrees to participate in the pilot program as described in the enclosed Pilot Offer Letter.
c) The commission applies only to dealership locations that activate as a traceable result of your introduction. Locations acquired through other channels are not included.
d) Prior to accepting this offer, and as a condition precedent to any commission becoming earned or payable, you must obtain written authorization from your employer (or their designated HR representative) confirming that you are permitted to receive outside referral compensation in connection with this arrangement. You represent and warrant that (i) receiving this compensation does not violate your employment agreement, company policy, or any applicable law; (ii) you have made or will make all disclosures required by your employer; and (iii) your employer has consented or will consent to this arrangement in writing before any commission is payable. Oraya Corporation shall have no payment obligation unless and until such written authorization is received.
e) If the pilot does not proceed for any reason, this offer becomes void with no obligation on either side.

5. Duration and Termination

The commission period for each dealership location is 24 months from that location's activation date. After 24 months, the commission for that location ends automatically unless renewed by mutual written agreement. Either party may terminate this arrangement with 30 days' written notice; however, commissions already earned on active locations remain payable through their full 24-month term.

6. Confidentiality

The terms of this offer, including the commission percentage and projected earnings, are confidential between you and Oraya Corporation You agree not to disclose these terms to dealership management, co-workers, or third parties without prior written consent from Oraya. This does not restrict your right to consult with your own attorney or tax advisor.

7. Governing Law

This agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to conflict of law principles. Any disputes arising under this agreement shall be resolved through binding arbitration in San Jose, California, administered under the rules of the American Arbitration Association.

Khalid, we are not asking you to take a leap of faith. We are asking you to open a door that you were already willing to open once before. The difference now is that the product is built, the compliance is real, and the team is ready. If Mercedes-Benz of South Bay sees even a fraction of the results we have demonstrated in other verticals, this will be one of the best decisions either of us has made.

If you are ready to move forward, please sign below and return a copy to us. We will then coordinate the introduction at your convenience.

Respectfully,

Frankie Alicea
