PILOT STATEMENT OF WORK

AI-Powered Voice Platform for Automotive Dealership Operations

Version 1.0 | March 29, 2026

1. Overview

This Statement of Work ("SOW") defines the scope, deliverables, timeline, and success criteria for a 30 to 45 day pilot deployment of the Oraya AI voice platform at a single dealership location operated by Mercedes-Benz of South Bay, Torrance, California ("Pilot Location"). This pilot is designed to demonstrate the platform's ability to increase customer engagement, reduce missed leads, and accelerate speed-to-lead in a live dealership environment.

2. Parties

Provider: Oraya Corporation, a California C Corporation, headquartered at 5560 Lexington Avenue, 429, San Jose, CA 95123.

Client: Mercedes-Benz of South Bay (or such other dealership entity as designated in the Pilot Agreement).

3. Pilot Scope and Deliverables

Oraya Corporation will deploy the following capabilities during the pilot period:

#	Deliverable	Description	Delivery
1	AI Voice Agent (Inbound)	Custom-trained voice agent handling inbound sales and service calls. Real-time appointment booking, lead qualification, and call summarization.	Day 1
2	AI Voice Agent (Outbound)	Automated outbound calls to internet leads, missed calls, and follow-up lists. Proprietary retry system for unreached contacts.	Day 1
3	Appointment Tracking (Manual)	Appointments booked during the pilot are logged in Oraya's analytics dashboard and delivered to the dealership via weekly reports. Bi-directional CRM and DMS integration is available as a post-pilot production feature and is not included in the pilot scope.	Day 1
4	Analytics Dashboard	Real-time web dashboard showing call volume, connection rates, appointments booked, and AI performance metrics.	Day 1

5	Human Transfer Protocol	Seamless transfer to dealership staff for complex inquiries, high-value prospects, or customer-requested escalations.	Day 1
6	Compliance Framework	TCPA consent verification, CIPA recording disclosure, FTC bot-identity rules, and CPRA data handling. Full audit trail.	Day 1
7	Weekly Performance Reports	Written reports covering all SLA metrics, call analytics, and optimization recommendations.	Weekly
8	Day 30 Pilot Assessment	Comprehensive written report evaluating pilot results across four dimensions: operational efficiency, revenue impact, customer experience, and compliance.	Day 30

4. Pilot Timeline

Phase	Duration	Activities
Onboarding	Days 1-3	Platform deployment, voice agent customization to dealership branding and scripts, staff training (30-minute session), compliance configuration. Note: CRM and DMS integration is scoped for post-pilot production engagement.
Active Pilot	Days 4-30	Live operation on inbound and outbound calls. Weekly performance reports. Ongoing optimization of AI prompts and call flows based on real data.
Assessment	Days 28-35	Data collection freeze. Pilot assessment report generated. Results review meeting with dealership management.
Decision Point	Day 35-45	Client decision on production rollout, expansion to additional departments, or pilot conclusion.

5. Success Criteria and KPIs

The following key performance indicators will be measured throughout the pilot to determine success:

KPI	Target	Measurement Method
Qualified appointments per week	10 or more	Confirmed bookings tracked in Oraya dashboard and weekly report
Speed to lead (inbound)	Under 60 seconds	Time from ring to AI pickup
Speed to lead (outbound)	Under 5 minutes	Time from lead submission to first call

+1 (724) 903-5964 · orayalabs.ai

Platform uptime	99% or higher	Automated monitoring
Outbound effective reach	90% or higher	Including retry workflow
Customer satisfaction (transfers)	No increase in complaints	Compared to pre-pilot baseline
Compliance adherence	100%	Audit trail review

6. Pilot Pricing

The initial 30-day pilot is offered at **no cost** to the Client as a demonstration of Oraya AI's commitment to proving value before requesting payment. Oraya Corporation bears all platform, telephony, and infrastructure costs during the pilot period. If Client elects to continue to production engagement after the pilot, pricing will be established based on call volume, feature requirements, and scope, as detailed in a separate Production Agreement.

7. Client Responsibilities

To ensure pilot success, the Client agrees to provide:

- A designated point of contact available for weekly check-in calls (15 to 30 minutes).
- A representative lead list (CSV or equivalent) for outbound calling. CRM and DMS access is not required during the pilot and will be scoped during production onboarding.
- A representative lead list or data source for outbound calling (minimum 100 leads for meaningful data).
- Routing of a portion of inbound sales or service calls to the Oraya AI platform.
- Timely feedback on call quality and appointment outcomes during weekly reviews.
- Designation of staff members authorized to receive transferred calls from the AI agent.

8. Oraya AI Responsibilities

- Full deployment and configuration of the voice AI platform within 3 business days of kickoff.
- Customization of AI agent persona, scripts, and call flows to match dealership brand and processes.
- Staff training session (30 minutes) on how the AI system works and how transfers are handled.
- Ongoing optimization of AI prompts and workflows based on weekly performance data.
- Weekly written performance reports delivered every Monday by 12:00 PM PT.
- 24/7 monitoring and critical issue response within 30 minutes.

Full pilot assessment report delivered within 5 business days of pilot conclusion.

9. Confidentiality

Both parties agree to treat all information exchanged under this SOW as confidential. Neither party shall disclose the other party's proprietary information, business data, or pilot results to any third party without prior written consent. This obligation survives termination of this SOW for a period of two (2) years.

10. Termination

Either party may terminate this pilot with seven (7) calendar days' written notice. Upon termination, Oraya Corporation will deliver a final performance report covering the pilot period completed and purge all Client data within 72 hours. There are no financial penalties for early termination by either party.

11. Governing Law

This SOW is governed by the laws of the State of California. Any dispute arising from this SOW shall be resolved through good-faith negotiation, followed by binding arbitration in San Jose, California under the rules of the American Arbitration Association if negotiation fails within thirty (30) days.
